

Giant 12' Asterix transform the event space in Turner Field, Atlanta, GA.

The Asterix was used as a unique, colorful ceiling treatment for a water exhibit at the Science Museum of Minnesota. Asterix are perfect accents for special events and holiday displays in malls, shops, atriums and museums.

Pink Inc.'s Asterix and Full Moons—organic stretch fabric décor—enliven any type of space by adding fun, whimsy and surprise.

The Pink Inc. Asterixs are 3D, stylized balls of varying sizes that snap, crackle and pop. Shown at an event NYC loft, these magical shapes create easily assembled and hung ceiling treatments in an instant.
