

The Delta's simple rig allows the structure's fabric to become a surface for projected light, lighting effects and gobos. Fabric structures have unlimited design capabilities and create memorable room décor and stage set design at all kinds of meetings and events.

Combining many of Pink Inc.'s stretch fabric uprights to magically—and instantly—transform the Javits Convention Center into an glamorous ballroom. Add lighting effects, and bingo—the transformation was complete!

Deltas and other upright structures easily create perimeter room décor. the Delta are versatile and dynamic fabric sculptures—add definition with standing uprights or rig the forms to soar through the air.

When SeaWorld event planners decided to invest in fabric structures, they choose Pink Inc! Several different forms in Pink Inc.'s product line have become staples of SeaWorld's in-park events; the Double Deltas are regularly used as temporary installations for events on the theme park's grounds.
