

Simple and Elegant, the Flat Walls, shown here at Cipriani 42nd st, were the perfect stage set for the International Tennis Hall of Fame Annual Awards Banquet. Projection and color changing lighting made this a memorable event for all involved.

When Saks 5th Avenue needed a portable stage for a in-store fashion event, the Flat Walls came to the rescue. Able to be installed in a short period of time, and providing a full transformation of the space, these Walls were the perfect solution to Saks' needs.

A mixture of Dye-Sublimation printing and lighting on our Flat Walls created an exceptional backdrop for the A&E entertainment program "What's Next!" These pieces gave full coverage in a small space, making the production of this show a snap.
