

Pink Inc.'s Soaring Birds offer a colorful alternative to the traditional tent liner. Transform your space or event with rental decor structures.

Turning and Soaring Birds fly through the air in the regal ballroom of the Waldorf Astoria Hotel. The event, a gala for the Juvenile Diabetes Foundation, took place below the swooping and diving birds.

The beautiful simplicity of Pink Inc.'s Soaring Bird draw the attention to a registration area in an otherwise uninteresting space. Fabric structures are easy to rig and a cost effective solution.

A lively mix of Pink Inc.'s Soaring Birds, Kites, and Diamonds create a multi-layered stage set backdrop ideal for any type of lighting design and projection. Easy to use and cost effective make fabric structures a win-win.
