

The Stalagmites stretch fabric decor are buffet centerpieces that call attention to the food station. Enhanced with lighting, projection and gobo design, the forms tower above the crowd. These upright structures stand on standard issue pipe and base.

The Stalagmites center the focus of the room as well as the room's perimeter. The lighting effects create a unique and inviting atmosphere in this ballroom. This Streamline Rental product is immediately available.

Stalagmites ship flat and extend up to 18' tall and are available through the Streamline Rental Program. They exemplify the magic and versatility of tension fabric architecture. Rig or free-stand on locally sourced pipe and base.

Standing tall in groups the Stalagmite bathes in color-changing light. The fabric forms added a festive décor to the otherwise dull environment, setting the stage for a dynamic event and memorable experience.
