

Pink Inc.'s Wave Tunnel and Wave Walls create a passageway between two spaces, adding mystery to each area of your event. Surprise and delight your guests when you unveil the new area.

When used in an event, the Wave Tunnel divides your space while creating an extraordinary entryway.

A group of Wave Tunnels, arranged to make a large segmented tunnel, wowed the crowd at the MTV upfronts.

Used indoors or Outdoors, the Wave Tunnel is a stunning piece of decor. Used as a tunnel, it makes a dramatic entryway, and, as shown here it can also be a fascinating, out-of-the-ordinary tent or enclosure.
