

The Wave Wall Small is a curved wall that divides and defines space. These fabric walls act as screens when used with projected light. Here the Wave Walls created a cozy space used to promote the New Yorker Festival.

Estee Lauder created a gallery out of a series of Wave Wall Small. The ornate ballroom was re-focused with messaging that for the company's sales meeting. Ease of installation, favorable shipping costs and very affordable rental options make this piece and other fabric structures a very cost-effective solution.

Pink Inc.'s Wave Wall Small created private lounge areas at a recent college event. A great room divider and/or projection screen, the Wave Wall is a signature Pink Inc. fabric structure that's available for rent or purchase in a variety of sizes.

The Marriott Marquis used a Wave Walls Small installation at the Marriott Marquis to create a private entryway to an exclusive event. The space offered VIP attendees a private area to check in and prepare for their red carpet entrance! Pink Inc.'s portable walls were an easy yet elegant solution.
