

Pink Inc.'s fabric walls are portable walls created from aluminum frame structures with fabric tensioned covers. Rental fabric structures are cost effective solutions for room dividers, entryways, lounge areas or directionals.

Visually pleasing, the Wave Walls camouflage, direct traffic flow, produces a dramatic entrance or a creative stage set backdrop. Create temporary or permanent private spaces - seen here as a portable office divider.

Modular walls create a stage set design enhanced by lighting and projection. Fabric backdrops enhance meetings, galas, corporate events, staged shows, and award ceremonies for dramatic effects.

Modular Wave Walls create a stage set design enhanced by lighting. As seen here, the fabric walls become a portable projection screen. Fabric backdrops enhance meetings, galas, corporate events, and award ceremonies.
