EVENT MARKETING

Tension fabric technology allows event marketers to create more memorable experiential events while saving significant costs in fabrication, installation, dismantle and shipping. From 360-degree branding and event displays to every type of b-to-b and b-to-c program, let us stretch your imagination to new heights.

LIVE ACTIVATIONS: Stage sets, banners, backdrops, walls, kiosks and theatrical signage that brings your brand to life.

POP-UP STORES: Tension fabric is a perfect way to create a temporary store experience that looks anything but temporary.

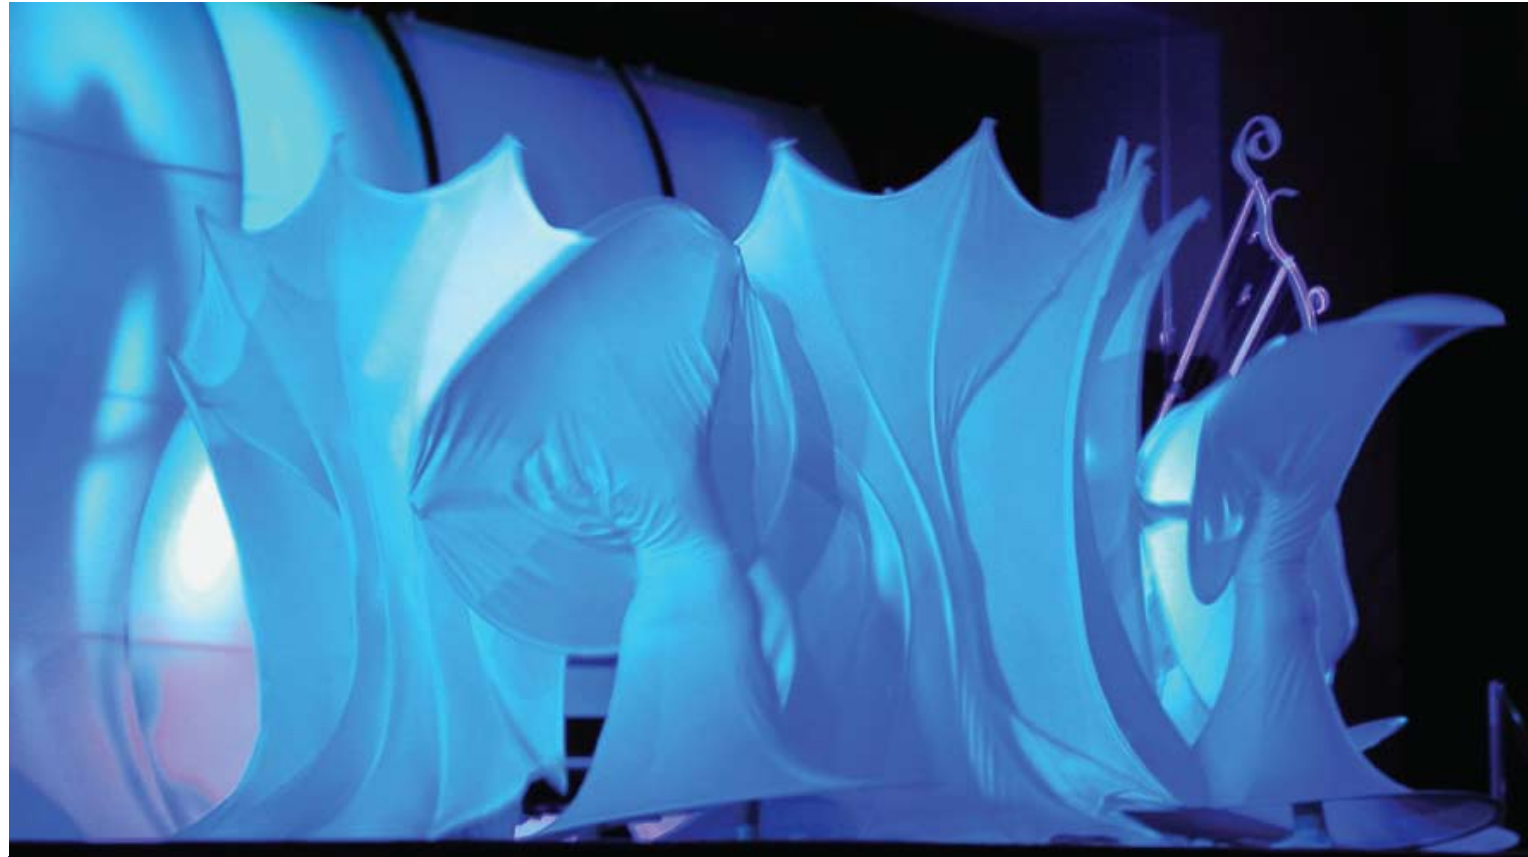

CORPORATE ENVIRONMENTS: Make press launches and corporate sales meetings to galas and receptions more memorable than ever with imaginative fabric branding.

MOBILE MARKETING: Tension fabric extends your footprint far beyond the vehicle and beyond the imagination with exterior kiosks, portable walls, and more.

SIGNAGE: Turn your logo into a 3-D work of art with dynamic signage from Pink Inc. Use branded fabric shapes for beacons and landmarks for all of your event-related signage.

GUERRILLA/SAMPLING demands flexible solutions, lightweight and moveable demo stations, sampling zones, and on-the-go fabric elements that can be set up in minutes.

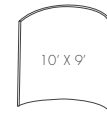

PERFORMANCE & PROPS: Inject the theatrical with costumes, mascots, parade floats— theatrical performance props that really grab attention.
