## EXHIBITIONS & CONFERENCES

Whether it's a full-scale trade show booth, a simple 10-by-10 graphic back wall or a dramatic museum solution, tension fabric structures offer real flexibility and are perfect as décor, accent architecture or for signage or exhibits and displays of any size.

### TRADE SHOW EXHIBITS

From the minute to the massive, tension fabric can be leveraged for the entire footprint or just a few elements. Create a booth with dynamic design for a fraction of a traditional build-out budget.

### LOOK OF SHOW

Pink Powered by Moss works with show managers, conference producers, and exhibit managers to carry a theme throughout a venue, from registration areas to entryways, room dividers to stage sets.

### BRANDING SURFACES

Pink offers the industry's pre-eminent selection of visual displays, including tables, ceiling treatments, walls, and retail and museum merchandising components.

### WAYFINDING

Dramatic fabric signage, kiosks, and exhibit entryways will guide your visitors and can feature printed logos, images and product/service information.

### A VARIETY OF OPTIONS

Temporary or permanent - whether your need is for several days or several years, Pink fabric solutions will work for you.
