1. Please wash hands before handling the costumes. If you have long hair, pull it back into a low bun as it tends to get warm in the costumes.

2. Lay out the Cabana costume and place the umbrella inside.

3. Climb into the costume after the umbrella is inserted.

4. Practice opening the umbrella. Zip the bottom before starting the performance.

5. Movement should be fun and playful. Include bending, bouncing, and stretching in your performance.

To manipulate, use your hands to control the umbrella. Open and close the umbrella at different speeds for varying effects.
