

WILD THING

All Wild Thing Costumes are pre-piped with plastic.

Wild Thing costumes have a limited availability. Please call to inquire.

Wild Thing costumes come with either a matching dress or matching pair of pants.

The Wild Thing Male costume can be used with stilts. If using stilts, you must hire a professional stilt performer.

Height of costumes on or off stilts is variable and depends on performer's height and stilt length.

The recommended height for a Wild Thing performer is 5' -7" or taller.

Performances are typically in 30 minute increments with a 30 minute break.

On occasion, depending on length of overall performance with advanced discussion, increments and breaks may be negotiated.

Under NO circumstances for fully covered costumes will performers act for more than 45 minutes.

Note on movement: Movement should be springy, bouncy, and full of energy. The Wild Thing is always playful but can sometimes get mischievous.
